► About Us

Masterpiece Group (Pty) Ltd is a proudly South African, black woman -owned consulting firm specialising in Stakeholder Management, Project Stability, Social Facilitation, Enterprise and Supplier Development (ESD), Local Economic Development (LED), Community Liaison, and Social Performance Management.

Established to bridge the gap between project developers and host communities, we provide strategic advisory and implementation services that enable infrastructure and energy projects to be delivered efficiently, responsibly, and sustainably.

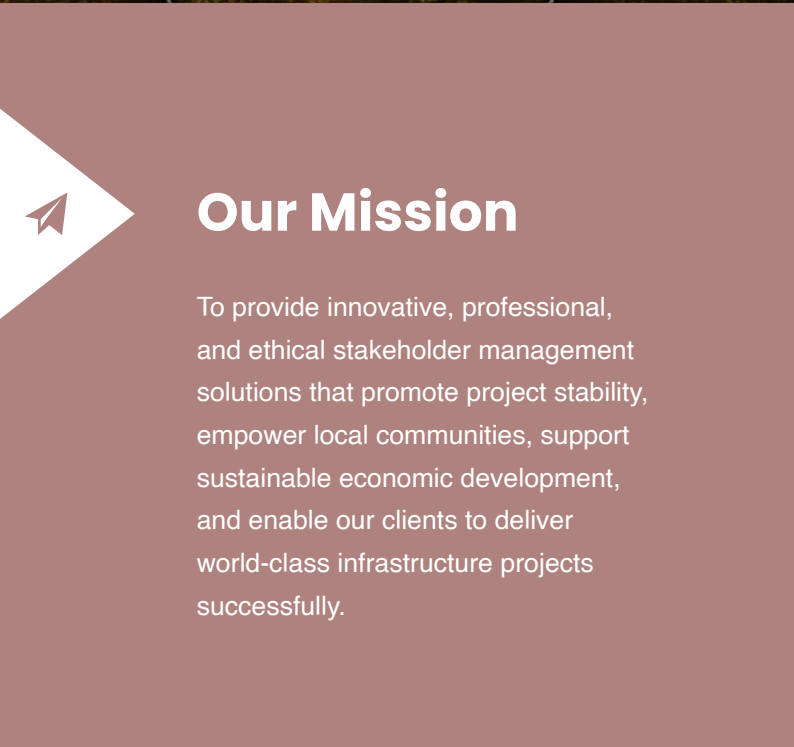

We work alongside Engineering, Procurement and Construction (EPC) contractors, government institutions, municipalities, developers, mining houses, renewable energy companies, and state-owned entities to minimise stakeholder risk, strengthen community relationships, and support regulatory compliance throughout the project lifecycle.

Our experienced team understands that successful projects require more than technical excellence, they require meaningful stakeholder engagement, transparent communication, and inclusive local economic participation.

Our Vision

To be Africa's leading stakeholder management and social performance consultancy, delivering sustainable solutions that create lasting value for our clients and the communities they serve.

Our Mission

To provide innovative, professional, and ethical stakeholder management solutions that promote project stability, empower local communities, support sustainable economic development, and enable our clients to deliver world-class infrastructure projects successfully.

► Project Stability Scope Exclusions

Unless specifically agreed in writing, the following fall outside the scope of Project Stability services:

- Third-party industrial action or strikes.
- Community service delivery protests directed at government.
- Natural disasters and force majeure events
- Criminal activities on or around project sites
- Late payments or contractual disputes between clients, contractors, suppliers, or employees

Where appropriate, Masterpiece Group will provide strategic advice and stakeholder communication support; however, responsibility for resolving these matters remains with the relevant authorities or the client.

► Client Responsibilities

Effective stakeholder management requires a collaborative partnership.

Clients are responsible for:

- Providing confirmed project commencement and completion dates
- Communicating approved payment schedules
- Providing timely project information
- Supporting agreed stakeholder engagement strategies
- Minimising direct engagement with stakeholders unless coordinated through Masterpiece Group to ensure consistent messaging.

► Our Commitment

At Masterpiece Group, we are committed to building trusted relationships, promoting inclusive economic participation, and delivering stakeholder solutions that contribute to safe, stable, and successful projects.

Every engagement is underpinned by professionalism, integrity, accountability, and an unwavering commitment to our clients' success.
